We have news!

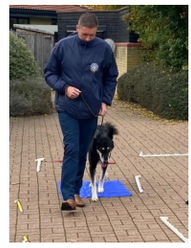
Congratulations to Mrs Downie our Year 6 teacher who is expecting her first baby in the Spring Term. Mrs Phillips will be covering Mrs Downie's Classes.

Meet our Senior Leadership Team.

Round Diamond will always hold a special place in my heart. This school was my primary school when I was younger also my first school as a teacher. I am now in my seventh year and have already had wonderful opportunities here to progress. I am faculty leader for Science and Computing, a co-opted member of the governing body and became an Specialist Leader in Education within our teaching school, allowing me to pursue my own interests in training and developing teachers.

Paddington's paws

Paddington has been busy with the children participating in daily dog club. He is progressing on finding his food that the children hide.



He's also been enjoying his weekly training sessions with Paw in Hand Dog Training School.

What's going on in the classroom?

The year 6 team are so proud of how the Year 6 children have adapted to our virtual learning this week. Using Google Classroom has meant that children have been able to receive their usual timetabled lessons by joining a live input from their class teacher, before completing tasks on Google Classroom while their teacher is there to provide feedback and answer any questions.

Bikeability Certificate!

We are extremely proud of our children who actively take part in cycling safely on their bikes around Hertfordshire.

Dates for your diary

27th November	Occasional Day—School closed
